What problems do we solve?

People are searching how to employ money
The answer is **Real Estate**

Why Real Estate?

Real estate is
resistant to inflation

Real estate is tangible

Generates additional
income

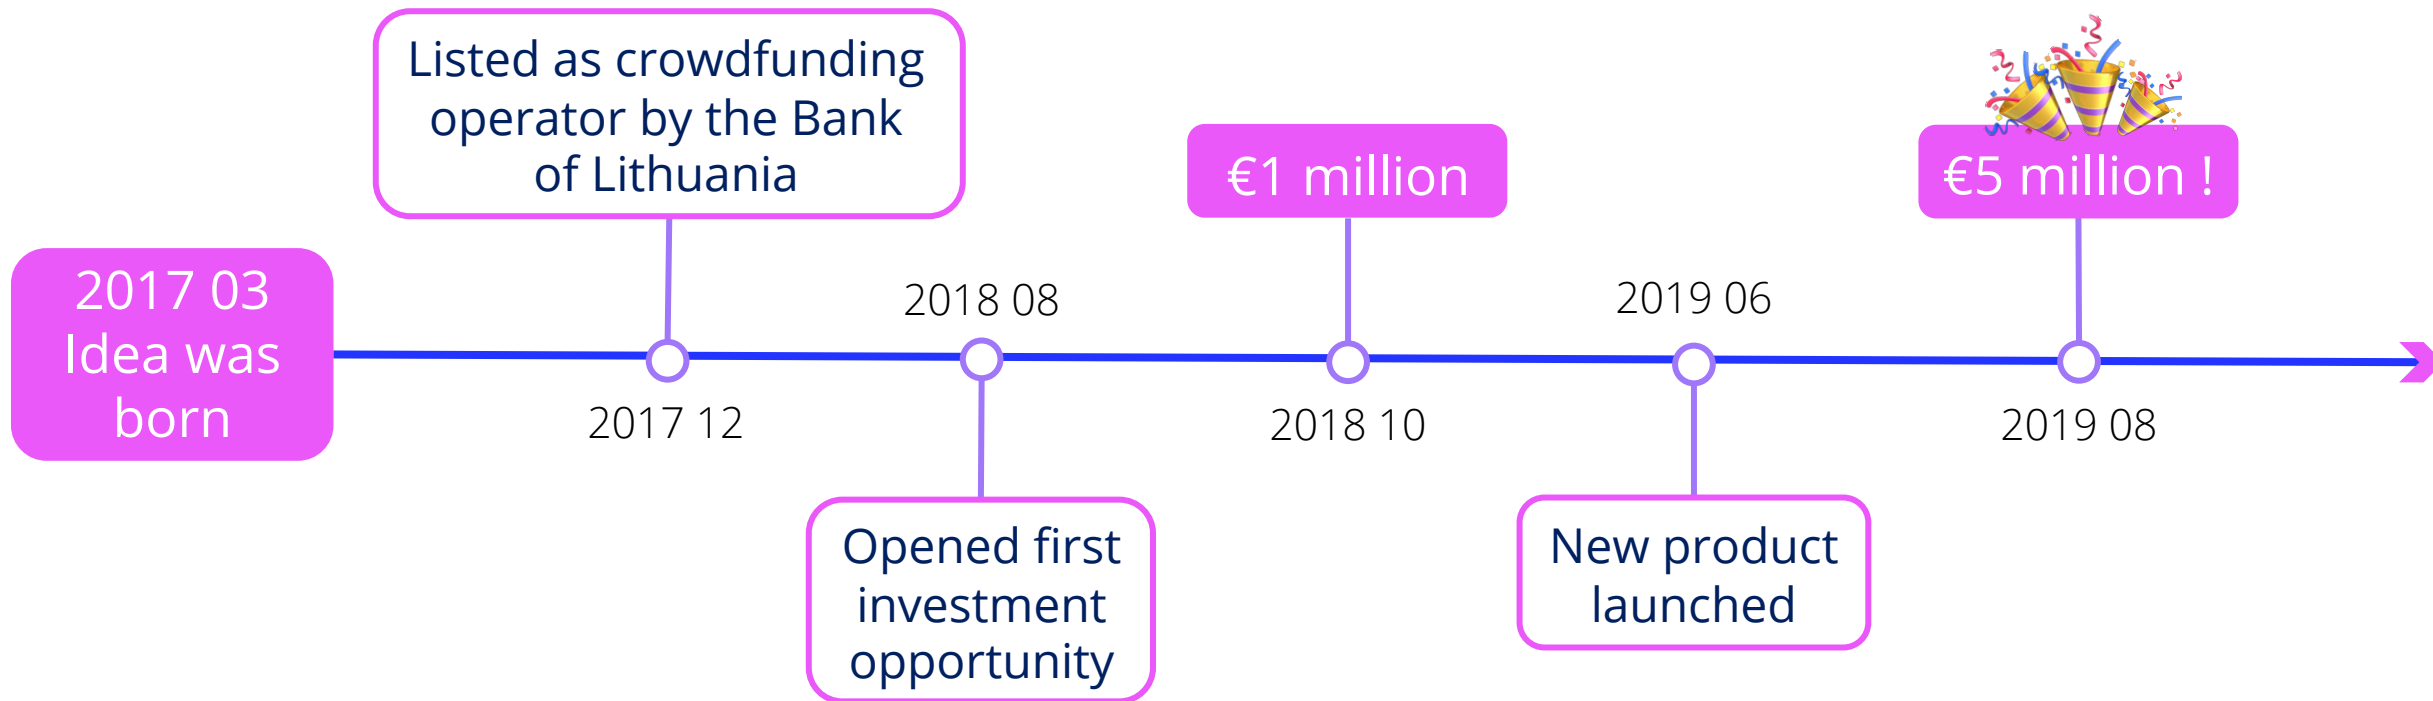

On the other hand...

- It is **hard** to get financing for small and medium companies from big banks. SMEs don't have history or assets.
- To get financing from the Bank takes a **long time**, approximately 1-3 months.
- Consequently, these companies are searching for **alternative** financing.

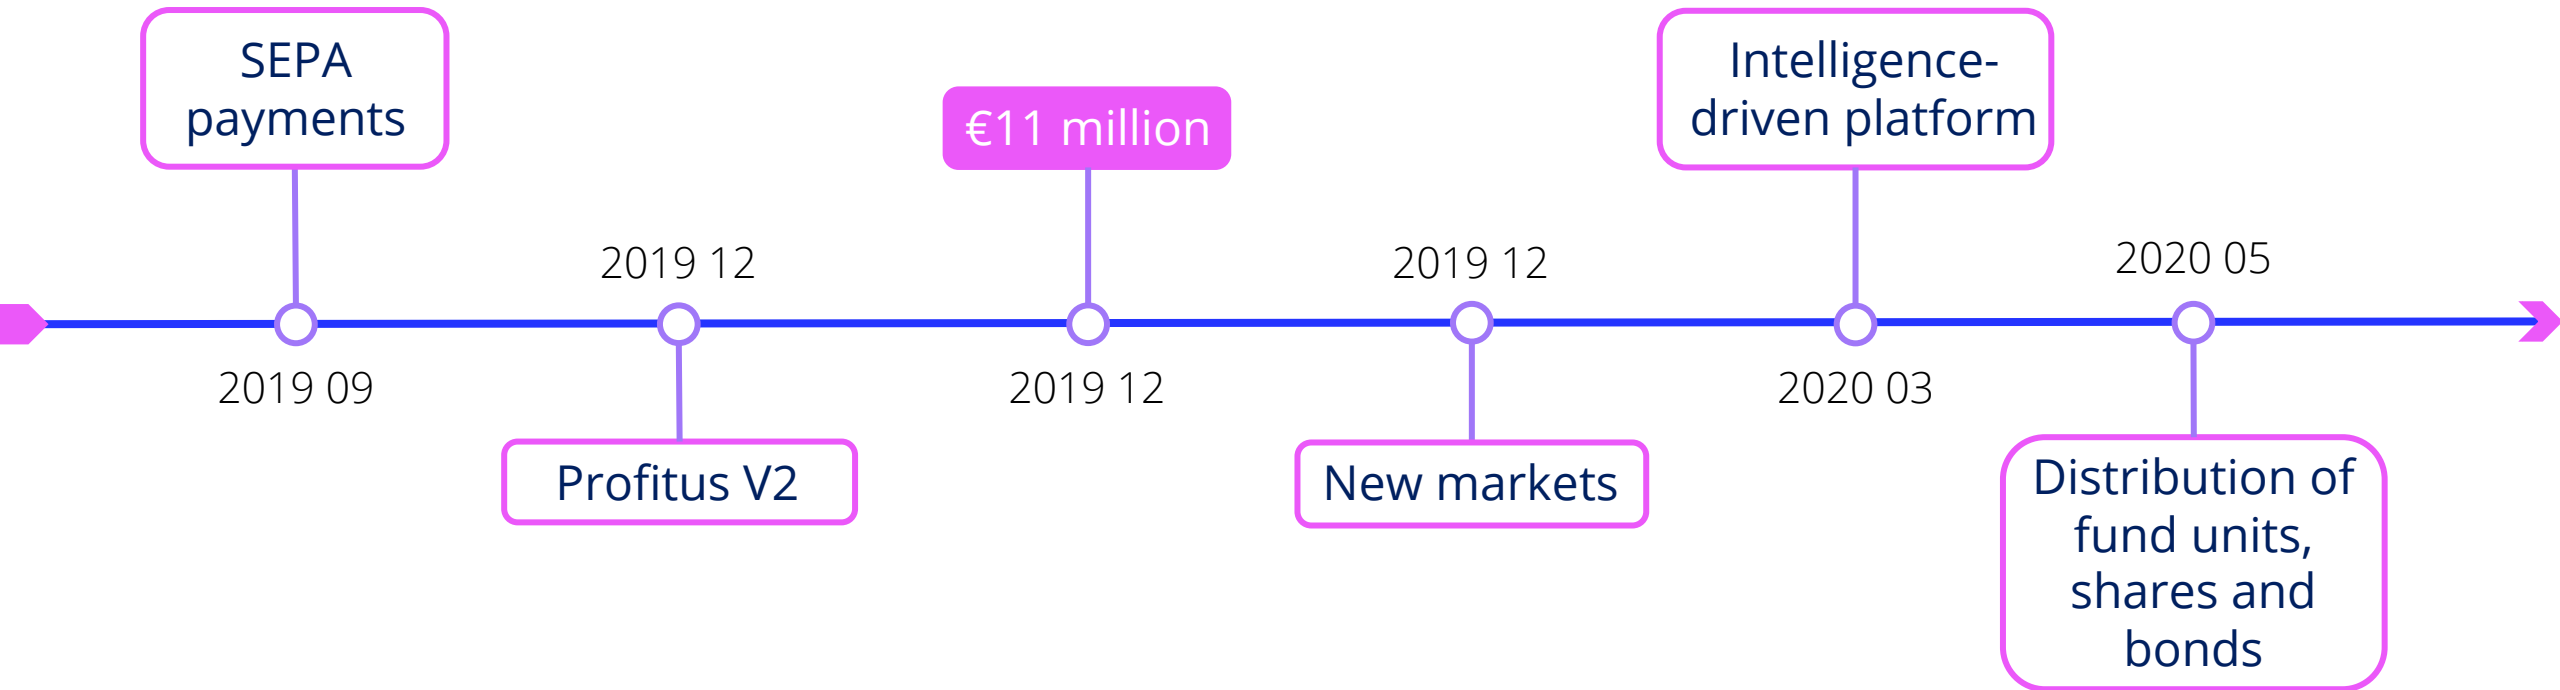

Answer is...
